

Session Program

Nov 6 - 9, 2023

2nd workshop on advancing the understanding of non-perturbative QCD using energy flow

Cold QCD

Stony Brook University/Online, CFNS, Peter Paul Seminar Room, C 120 Physics Building

Tue, November 7

2:30 PM

Cold QCD: Session 2

Session | **Location:** Stony Brook University/Online, CFNS, Peter Paul Seminar Room, C 120 Physics Building | **Conveners:** Raghav Kunnawalkam Elayavalli, Raghav Kunnawalkam Elayavalli

3:00 PM

14:30 - 15:00 Nucleon/nucleus 3D structure overview from theoretical perspective

Speaker
Zhongbo Kang
