

Session Program

Jul 21 - 24, 2025

New opportunities for beyond-the-Standard Model searches at the EIC

Session

Peter Paul Seminar Room, C-120

Peter Paul Seminar Room (C-120) Center for Frontiers in Nuclear Science Department of Physics and
Astronomy Stony Brook University Stony Brook, NY 11794-3800

Wed, July 23

1:45 PM

Session: Dark Sectors and Flavor Violation

Session |

Location: Peter Paul Seminar Room, C-120, Peter Paul Seminar Room (C-120) Center for Frontiers in Nuclear Science
Department of Physics and Astronomy Stony Brook University Stony Brook, NY 11794-3800

13:45 - 14:45

Single top production vía flavor violation 2HDM

Speaker

Melina Gómez Bock

14:45 - 15:45

Looking for dark particles at the EIC

Speaker

Hooman Davoudiasl

15:45 - 16:00

Coffee

16:00 - 17:00

Searches for flavor-violating particles at the EIC

Speaker

Ethan Neil

5:45 PM
