

Session Program

Jul 21 - 24, 2025

Center for Frontiers
in Nuclear Science

New opportunities for beyond-the-Standard Model searches at the EIC

Session

Peter Paul Seminar Room, C-120

Peter Paul Seminar Room (C-120) Center for Frontiers in Nuclear Science Department of Physics and
Astronomy Stony Brook University Stony Brook, NY 11794-3800

Thu, July 24

9:00 AM

Session: Light Dark Matter and EIC Discovery Potential

Session |**Location:** Peter Paul Seminar Room, C-120, Peter Paul Seminar Room (C-120) Center for Frontiers in Nuclear Science
Department of Physics and Astronomy Stony Brook University Stony Brook, NY 11794-3800

09:00 – 10:00

Towards new constraints on light, dark sectors through EIC studies (45 min talk + 15 min discussion)**Speaker**

Susan Gardner

10:00 – 11:00

EIC Early Science (45 min talk + 15 min discussion)**Speaker**

Abhay Deshpande

11:00 AM
