Sessions:

- *Science Motivation*
- *Polarized Sources*
- *Ion Polarimetry*
- *Spin Manipulation at EIC*
- *Precision Spin Tools at EIC*

Goal: White Paper Toward the Realization
of Polarized Beams at the EIC

Organizers:

Jaydeep Datta (Stony Brook)
Zein-Eddine Meziani (ANL)
Richard Milner (MIT)
Deepak Raparia (BNL)
Frank Rathmann (BNL)

Sponsors:

CFNS, BNL, JLab, ...
