

Welcome

Why are we here today?

Niseem Magdy Abdelrahman (Texas Southern University)

Wenliang Bill Li (Mississippi State University)

Christine Nattrass (University of Tennessee at Knoxville)

Roli Esha (Stony Brook University)

Jaydeep Datta (Stony Brook University)

Zhangbu Xu (Kent State University)

Daniel Cebra (University of California at Davis)

EIC is our main priority

Do we need a test beam facility?

Fermilab

LHC

GSI

?

What fits our needs?

EIC is our main priority

Interest in F-T open questions

Jlab

RHIC
STAR

GSI

AGS

Appreciating the past and looking into the future...
