

# The Gary McCartor Fellowship Program

in memory of physicist Gary McCartor who provided scientific leadership for the field of light cone physics.

- established in 2008
- $54+3(2026) = 57$  awardees
- $42+1(\text{LC}2026)$  meetings since Heidelberg91

# McCartor Fellowship Awardees in 2026

- **Ho-Yeon Won**

PhD student, CPHT, CNRS, IRFU-CEA/Institut Polytechnique de Paris  
(under Cédric Lorcé)

- **William Good**

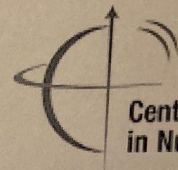

PhD student, Michigan State University  
(under Huey-Wen Lin)

- **Satvir Kaur**

Postdoc, Institute of Modern Physics, Chinese Academy of Sciences  
(PhD, 2021, NIT, Jalandhar, India under Harleen Dahiya)

# LIGHT CONE 2026

Center for Frontiers  
in Nuclear Science

**The International Light Cone Advisory Committee, Inc.**  
present this certificate to

*Ho-Yeon Won*

**for winning the Gary McCarter Award  
at the Light Cone 2026 Conference**

*June 26, 2026*

Chueng-Ryong Ji  
ILCAC Chair

Ismail Zahed  
LC2026 Chair

# LIGHT CONE 2026

The International Light Cone Advisory Committee, Inc.  
present this certificate to

*William Good*  
for winning the Gary McCartor Award  
at the Light Cone 2026 Conference

*June 26, 2026*

Chueng-Ryong Ji  
ILCAC Chair

Ismail Zahed  
LC2026 Chair
