

BNL Guest Registration Form

Apply online here: <https://quest.bnl.gov/>

If you have been to BNL before and have a guest number, use the green box “Renew Appointment.” If you are new, use the orange box, “New Registration.” If you don’t finish your registration, you can return later and click on the blue box, “Continue Registration” and use the temporary tracking number (GR number) you were issued.

You will receive an automated email acknowledging your registration was received along with the temporary tracking number (GR number), as well as another email when your visit is approved. Please read the email carefully as it contains instructions on the identification documents that are required as well as the training courses that are required for your access.
